Summer Flight Experience

Sponsored by the Aviation Education Foundation of Colorado, Inc. (AEFCO), the Summer Flight Experience is for young people ages 15 – 19. Although earning the Summer Flight Scholarship for flight training is a major goal, your son or daughter will experience teamwork, learning, new friends – and fun!

They will come away enthusiastic, inspired and ready to meet new challenges. There is an excellent introduction to the science, history and adventure of flight. Young people will learn about aircraft systems, aerodynamics, weather, navigation and take special VIP tours of the Colorado Springs Air Traffic Control Facility and 302nd Airlift Wing, Peterson AFB.

Summer Flight Experience runs **June 13 – June 22, 2012**, 8:00 AM to 4:00 PM. For more information on this thrilling experience for your child, contact **Richard Martin, President, AEFCO, at 719-683-6587**.

Location:

Meadow Lake Airport Association Hangar, Meadow Lake Airport, Falcon, CO
